Area 1 District 14 Newsletter

8th Tradition

“Alcoholics Anonymous should remain forever nonprofessional, but our service centers may employ special workers.”

8th Step

“Made a list of all persons we had harmed, and became willing to make amends to them all.”

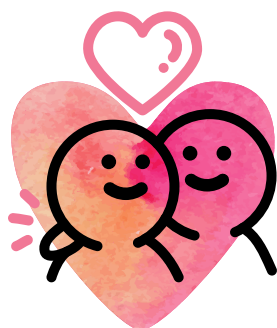

8th Step Prayer

Higher Power,
I ask Your help in making my list of all those I have harmed. I will take responsibility for my mistakes and be forgiving to others as You are forgiving to me. Grant me the willingness to begin my restitution. This I pray.
Amen

8th Concept

The trustees are the principal planners and administrators of overall policy and finance. They have custodial oversight of the separately incorporated, and constantly active services, exercising this through their ability to elect all the directors of these entities.

The Spiritual Principle of Step 8 is Brotherly Love:

LOVE – Unselfish concern that freely accepts another in loyalty and seeks his good to hold dear.

A code of AA is 'love and tolerance' and it means to treat others as you would want to be treated. Love and tolerance start with loving yourself, loving other people, and accepting a person as he or she is.

Love and tolerance allow you to understand you can love someone without having to like everything about them. The person in the AA program must develop patience, love, tolerance, and an understanding of other people despite their differences.

Love and tolerance promote open-mindedness and freedom from judging others and their opinions.

Love and tolerance help you to love yourself and forgive yourself. Self-esteem and confidence will begin to improve when you learn to love yourself first. When you love yourself first, loving others becomes a lot easier. Loving yourself promotes happiness, which positively contributes to your recovery progress.

It is important to be tolerant of other people. Learn to tolerate people from different backgrounds, beliefs, or political views. Everyone has his or her own perspective on everything, and tolerance will encourage patience. With tolerance, you can understand that mistakes, imperfections, and shortcomings of others will bother you less. People are living with their own struggles just like you.

When you learn to listen and not judge, you will see the beauty of the world. When you work through the program, you must learn tolerance. Learn to let go of things you cannot change, such as people. It is an ongoing process.

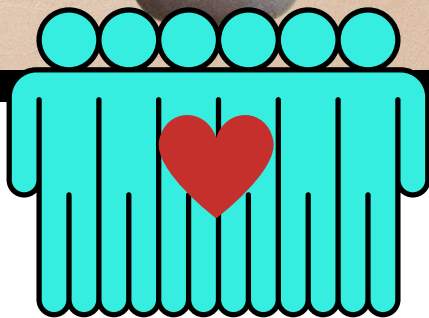

The 'love and tolerance' code of AA comes from living life one day at a time, putting yourself at God's disposal, and having the ability to do anything and anywhere to help another alcoholic.

"Love and tolerance of others is our code. And we have ceased fighting anything or anyone – even alcohol."

With tolerance, you will not judge who to save and not to save. Do not rely on your limited perceptions and vision to see. There will be people you do not like, and some people will not like you. Love and tolerance teach you to respect yourself and others, not just at meetings, but also throughout your life.

Bill W. considered each step to be a spiritual principle in and of itself. However, particularly in the 12 & 12, he outlined the spiritual principles behind each step. Some of them seem like common sense, but understand going into the exercise that reading these principles and actually practicing them in your day-to-day lives are two entirely different things (and that the latter requires vigilance and willingness).

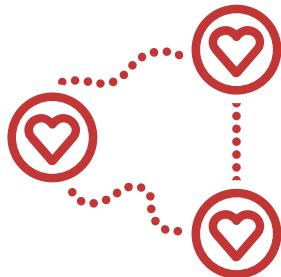

The **ONE DAY AT A TIME** is the local newsletter published by the Area 1 District 14 Central Office of Alcoholics Anonymous. The monthly publication provides current information about meetings, upcoming AA related events, and articles of interest submitted by local members. It also includes a monthly financial report of contributions by the AA groups in District 14 and the business minutes from the Intergroup Meeting held the 3rd Monday of every month.

"Carrying the Message is the basic service that our fellowship gives, this is our principal aim and the main reason for our existence. Therefore A.A. is more than a set of principles, it is a society of alcoholics in action. We must carry the message, else we ourselves can wither and those who haven't been given the truth may die. Hence an A.A. service is anything whatever that helps us to reach a fellow sufferer - ranging all the way from the 12 Step itself to a 10 cent cup of coffee and to A.A.'s General Service Office for National and International action. The sum total of all the services is our Third Legacy of service."

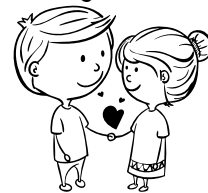

Bill W. - A.A.'s Legacy of Service

From The Editor

Love is a word that I did not truly understand the meaning of until now. I thought that to love meant sacrifice of self. If you weren't giving up everything for me, you did not love me. I thought that if I gave you enough material items and made sure I spoke highly of you to others that I was loving you. (You know, because an endorsement by me was just.. WOW!!! LOL) I am so grateful that love has a new meaning today. I know that to truly love someone is to allow them to have their own truth without judgement from me, to give without expecting a return and to want you to be happy no matter what that looks like. You are free to be you and I am free to be me. "Love and Tolerance is our code." I am grateful that I am finally understanding this "new to me" principle and that I am able to live by it because it is a beautiful part of my spiritual growth which helps keep me clean and sober.

I can without a doubt say I LOVE YOU! I may not like you, you do not have to like me and I am so grateful that today that is ok.

Thank you for my sobriety,
Jennifer B

Cop: that's not how field sobriety tests work

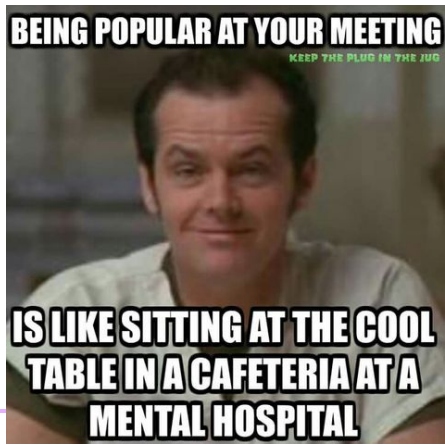

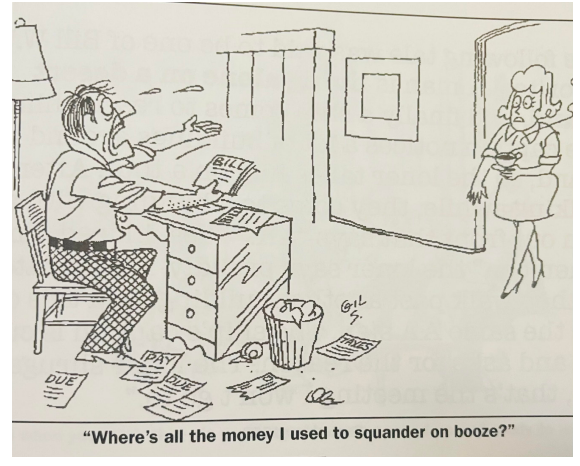

The man chairing the meeting called on a younger member to share.

She said, "Oh, I've had a terrible day. I wasn't centered. I felt alienated. My child within was deprived. I wasn't self-actualized at all!"

An old-timer who was hard of hearing leaned over and whispered to a friend, "What did she say?"

The friend replied, "She says she's hungry, angry, lonely and tired."

Heard in a meeting..... 

"Quitting drinking is easy. I myself have done it hundreds of times."

"WE ARE NOT CURED OF ALCOHOLISM.

WHAT WE REALLY HAVE IS A DAILY REPRIEVE CONTINGENT ON THE MAINTENANCE OF OUR SPIRITUAL CONDITION"

I'm a friend of Bill W.

After a rough night, I woke up one morning and thought I should join Alcoholics Anonymous... I changed my mind though, because I am NOT a quitter.

From the Desk of District 14 Intergroup Chair/Co-Chair: Linda W and Paul B

I have attached a form for all AA groups to complete and get back to Central Office by August 18, 2023, intergroup needs your input. I want to thank all the groups for the contributions you have sent from your 7th tradition basket and we are trying our best to spend it the way you want, we are paying our bills and making decisions on what is the direction you want us to spend your money for the still suffering and helping AA members understand what is Intergroup and what do we do, we truly appreciate it. We would like every group to have an intergroup representation and give us you input and vote for your group at the next meeting on August 21, 2023. We have around fifty-six groups in District and about 15 groups have representation at the meetings.

We have 4-night shifts 4pm-8pm open Wednesday, Friday, Saturday, and Sunday evenings, it would be super if we had all shifts taken and the telephone is being handled by an AA member for the person reaching out for help or a group has the central office doors open to pick up supplies for their groups 8:00am – 8:00pm. Please help us make this possible, we will train you, so you feel comfortable with the duties of a trusted servant for Intergroup and Central Office. We appreciate all the Officers, Committee Chairs, Intergroup Reps and Trusted Servants, I could not do this without each of you.

Come to our Intergroup Breakfast and listen to a speaker on 1st Sunday of the Month at Am Vet 78 Valparaiso, FL next one will be August 6, 2023 Hosted by Happy Hour Group Ryan J will be speaker, go in Side entrance they serve breakfast for \$8.00 9:30am and speaker starts 10:30am-11:30am. We have each Quarter we hold a Eat and Speak next one will be Sept. 30, 2023, Hosted by Deckhands Group Speaker TBA, bring a covered dish to share with others, fellowship 5:00pm and start eating at 5:30pm, Al non-Speaker 6:30pm, break and then AA Speaker around 7:30pm. There is a Quarterly gathering in Pensacola and Panama City on the other quarters, if anyone is interested, we could meet at Central Office and carpool to go to the other quarters, let me know if this district wants to do this it is lot of fun. These are functions we do with Intergroup, if you want more come to intergroup or fill out the form and we are willing to be of more service to District 14, I will be handing them out at District meeting Aug. 7, 2023, the form is in the Odaat Newsletter also.

We voted on the Cox Cable at last meeting, when I called for the contract to renew at the quoted rate, they changed it and it will be \$141.00 per month, so we will need to revote at the August 21, 2023, meeting. I will call the day of the meeting to make sure it does not change, but I want the motion to be we will do a contract with them if they are below the Century quote, just in case it changes again.

It is an honor to serve as your Chair and pray that we can make Intergroup grow, and everybody enjoy the services we offer. Please help me make this possible, lets learn and have fun doing it. I will be researching what other states are doing with intergroup and let you know what I learn at the next meeting.

Thanks

Linda Westcott

Group Name: _____

Intergroup is trying to use some of the money our groups in District 14 gave to us, but we need to know what it is you would like us to spend the money on. We are paying the bills for central office, but we want to use some of this money the correct way and we need our groups to give us suggestions, so we are going the direction you all want: Next meeting will be August 21, 2023, 6:00pm Central Office – Each group send an Intergroup Representative to this meeting.

Ad hoc Committee- Has a chair and that chair gets 2 to 4 people it needs to be odd number for voting purposes, which with the chair included would be an odd count to come to the meeting. Intergroup votes to approve the chair at the August 21, 2023, meeting and then the Chair gets 2 or 4 people being a part of the committee. The committee would come back to the following meeting which would be September 18, 2023, with input on what the committee found out and present this information at the September 18, 2023, meeting.

We are planning on doing a Picnic/Service/Speaker in the fall – we have an Ad hoc Committee started but by the next meeting we will have to have a Chair and additional 2 to 4 other AA members to help make this happen, please come to the meeting if you are interested in these events to happen. (Food, Place-Park with cover, and Speaker (Local, out of town/out of state), if out of state we would be responsible for room and travel)

Another suggestion to have a Dinner/Speaker/Dance around Halloween – we voted for Ad hoc Committee to start by next meeting we will have to have a Chair and additional 2 to 4 AA members to help make this happen, please come to the meeting if you are interested in this to happen. (Food, Place to have this event, Speaker (local/out of town/out of state), if out of state we would be responsible for room and travel, dress attire (casual, dress up or formal) and if have a live band or DJ and who).

Other Suggestions:

1.

2.

Return to Central Office before 08/18/23 or have your intergroup representative to discuss the ideas and have a vote on the direction we spend this money that your groups gave us.

From the Desk of Dawn O- District 14 DCM

Greetings District 14!

Dawn O. here with August's District News.

"Most of us cannot recover unless there is a group. As Bill said, 'Realization dawns on each member that he is but a small part of a great whole. ... He learns that the clamor of desires and ambitions within him must be silenced whenever these could damage the group. It becomes plain that the group must survive, or the individual will not'" *The AA Group*, p.11.

Thanks to all the Trusted Servants who have been diligently carrying the message to our fellows in Treatment, Corrections, to our members at large, and to the public. Summer presents a particular challenge to provide services while regular committee members are on vacation. If you have some spare time, give one of our service committee chairs a call and volunteer to fill in!

Reminder: This month's District Meeting of our GSR's will be held Monday, August 7, 2023 at 6:30 PM at the District 14 Intergroup Office, 24 Hollywood Blvd, Fort Walton Beach, FL. If you can't be there in person join us virtually on Zoom ID: 821 7546 8660, PW: district.

Caye Caulker Belize

WE ARE BACK! We taken us 3 years, but we are excited to announce the first ever International AA fellowship conference in Caye Caulker Belize. We will be hosting the event and all activities at the beautiful Blu Zen resort. Check it out here: <https://bluzenbelize.com>. We have a limited amount of time to get the rooms booked so please plan your trip early. Each condo or Blu Zen is at least a 2 bed/2 bath so budget up to help reduce your overhead. We have blocked out the rooms already and will have a code for you to use for booking on our Reserve Now tab. We are looking forward to hosting you and giving you a peek at the hard work our Belizean friends have done over the last 6+ years to carry the message of AA to the country. Please make sure you are here to attend the 5:00pm Trailblazers meeting on Friday night to meet and hear from those who got us started in Belize. See you in November!

I hope you have discussed with your groups if you are interested in having a dinner/dance (dress up) around Oct. 2023. Also, having a picnic-workshop (help members understand what Intergroup is about) with families invited in spring or fall, we need to make sure recovery members are learning to have fun in sobriety not just going to meetings I asked Intergroup representatives to bring your groups thoughts to this meeting – members and families are also invited to attend other options are bowling, water sports, games, cards). We want people to get involved with Intergroup and we are willing to help make this possible. If you are interested in helping with these events to happen, we will discuss and get people part of the Ad hoc committee to set it all up and be a part of having these ideas the way you want it) We are helping the still suffering but we also want to help the people that are in the program to want to stay and enjoy their sobriety. We will address these in Old Business, if we want these events, we need an Ad Hoc Committee to get the details together (about 3 to 5 people to hold a meeting together before the next meeting to inform what was decided and bring back to the next meeting). I got a quote on Cox and Century. The contract for Cox is up August 25th, I will put a motion on the floor to address in Old Business and have discussion, then vote. We still have Wed, Friday, Sat, and Sunday evening 4-8pm shifts open, see if anyone in your group members is interested in being a trusted servant and we will train you, so you understand what you are doing there for your shift you take on.
