## Area 1 District 14 Newsletter

### Step 2

“Came to believe that a Power greater than ourselves could restore us to sanity.”

### Tradition 2

“For our group purpose there is but one ultimate authority – a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.”

### Concept II

“When, in 1955, the A.A. groups confirmed the permanent charter for their General Service Conference, they thereby delegated to the Conference complete authority for the active maintenance of our world services and thereby made the Conference—excepting for any change in the Twelve Traditions or in Article 12 of the Conference Charter—the actual voice and the effective conscience for our whole Society.”

**all you need is love**

### 2nd Step Prayer

GOD, I'm standing at the turning point right now. Give me your protection and care as I abandon myself to you and give up my old ways and my old ideas just for today.

AMEN (Page 59 BB)

**"TRUST GOD, CLEAN HOUSE, HELP OTHERS"**

## **STEP TWO OF AA: A POWER GREATER THAN OURSELVES**

All of the words of the 12 steps are very specifically chosen, which is another thing I really love about working with them. The second step doesn't say "We came to believe in a power greater than ourselves" it says "We came to believe that a Power greater than ourselves could restore us to sanity." That's the beauty—we are invited to begin to think about what our higher power can be.

The emphasis is not on who or what the power is, but on what the power can do for us. The group of AA itself certainly qualifies as a power greater than ourselves (our fellowship is in the millions and always growing) as do the spiritual principles contained in the 12 steps.

The awareness and understanding that we can't recover alone and that we need some kind of help is really the lesson at this point in recovery. The spiritual principles that are the foundation of this step are open mindedness, willingness, faith, trust and humility. It really doesn't matter whether we have any idea of how this power greater than ourselves is going to help, just that we come to believe it is possible.

As part of a recovery process it's really helpful to ask and answer important questions pertaining to step two; questions about insanity coming to believe, a power greater than ourselves, restoration to sanity and spiritual principles:

- Did you make insane decisions as a result of your alcoholism?
- Do you have any fears about coming to believe in something greater than yourself?
- What does "we came to believe" mean to you?
- What experiences have you heard other recovering alcoholics share about their process of coming to believe and have you tried any of them in your recovery/life?
- Do you have a problem accepting that there is a power/powers greater than yourself?
- What evidence do you have a "higher power" is working in your life?
- What are some of the things you consider good examples of sanity?
- What changes in your thinking and behavior are necessary for your restoration to sanity?
- Why is having a closed mind harmful to your personal recovery?
- How are you demonstrating open-mindedness in your life right now?
- What fears do you have that are getting in the way of your trust?
- What do you need to do to help let go of the fears?
- Are you seeking help from your sponsor, going to meetings and reaching out to other recovering alcoholics? If so what are the results?

"Carrying the Message is the basic service that our fellowship gives, this is our principal aim and the main reason for our existence. Therefore A.A. is more than a set of principles, it is a society of alcoholics in action. We must carry the message, else we ourselves can wither and those who haven't been given the truth may die. Hence an A.A. service is anything whatever that helps us to reach a fellow sufferer - ranging all the way from the 12 Step itself to a 10 cent cup of coffee and to A.A.'s General Service Office for National and International action. The sum total of all the services is our Third Legacy of service."

## Letter from The Editor

I had no idea I was insane! The never ending circle of binge, remorse, repeat was normal to me. My way of life was the only way I knew. When I took the suggestions and got a sponsor who gave freely what was given to her, I then finally became willingly to believe the idea that there has to be something greater than me to help me. I wanted sobriety more than I wanted to drink and that was the first gift of finding GOD for me. The simple prayer "Let Go and Let God" was the beginning of this most amazing journey.

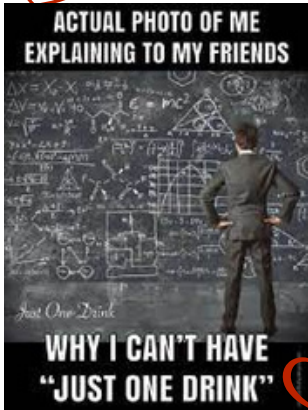

Today, when I am trying to make myself out to win or be right, I am more times than not, wrong. I learned that I have no power over the outcome of anything unless I am doing the next right thing. Today my life is not just trying to see what I can get away with and more about what can I do to give back what I have received. I no longer wish to live in my old ideas and principles that were delusional and full of fear. Life was full of fear-driven reactions to everything. I get to have a new idea of who I am and see myself as my HP "GOD" sees me. I feel worthy of love, happiness and joy. I am so grateful for Step 2 because I now know there is a God and I am not it. I don't have to be in charge of everything and everyone. I don't have to defend myself to anyone, and I get to let others have their own ideas and principles while still respecting, loving and accepting them. My friends and family get to be true to themselves without judgement from me because my HP "God" wants me to see them as He does and that is as Divine and exactly where they are supposed to be right now. I wanted to share this to say that if you work the steps in order then Step 2 becomes simple to achieve.

For me, going to meetings, working the steps and getting a sponsor was necessary to staying sober. I have surrounded myself with people in this program that are working their sobriety and have shown me the way. If anyone out there is questioning the steps or needs guidance I suggest you do the same. Find someone who has what you want and ask them how they did it. If they truly are doing the deal they will freely give to you what they have. I hope to see you all as we trudge this road to happy destiny.

Thank you for my sobriety,

Intergroup Chair and Co-Chair report

Thanks to all the trusted servants, officer, committee chairs and intergroup representatives for all you do to help the intergroup function and doors stay open.

We have a new Trusted Servant Dave in our District, and he has worked his first Sunday shift 12:00pm – 4:00pm already. We are hoping we will have someone start soon every other Sunday for 4:00pm – 7:00pm but he has not called me back for training so we shall see what happens soon. But right now, if this all works, we only have Friday night and every other Sunday shift open 4:00pm – 7:00pm. If anyone is interested of being a trusted servant, please give us a call asap. We are also hoping we will get more intergroup representatives to attend our next meeting February 19, 2024, at central office 6:30pm. It is very important that all active groups have an intergroup representative your group's voice is important and so is your vote.

We had an outstanding show up for each of the meetings we held on December 31, 2023 – January 1, 2024, 12:00pm – 12:00am. Thank you for the groups who hosted the meetings and the AA members who showed up to be a part of this first event we held. We passed a basket at each meeting for the funds to go to GSO which we announced before the basket went around, we collected \$202.79 for GSO. We had 13 to 29 people at the meetings, intergroup paid for food (Pizza and subs), drinks, etc. and decorations for New Year's celebrations. We had groups and AA members bring food, snacks etc. also, we are so proud of our district. We feel everyone had a lot of fun, the meetings were hosted by Mossy head Community group, Unwind Your Mind, Straight Up Group, Miracle Group, Young at Heart, Weekenders, and 3<sup>rd</sup> Tradition they were open discussion, speaker, and Candlelight – Meditation. We received phone calls while we were there for directions and people needing to talk to another alcoholic in recovery, members purchased books, coins, supplies and people visited the Archives that is at Central office. So, it was a good decision to have this event at the central office.

We discussed at the last meeting about having an Intergroup Spring Picnic and Bingo night or weekend, we got an Ad hoc committee started for each of these events and they will report on their events at the February 19, 2024, 6:30pm meeting. Come be apart of preparing for these two events that the district 14 groups voted to have, lets support and be a part of the fun and fellowship.

Please trusted servants if you cannot make your scheduled shift, give me a call the night before so I can get a replacement for that shift. We want to make sure the office is open, and someone is answering the phones for the still suffering alcoholic that needs us. We are still working on having the central office open 7 days a week 8:00am – 7:00pm, please help us make this possible and when the office is not open, we have hotline answering the phone calls.

**Thanks for allowing us the honor to serve intergroup and central office.**

# From the Desk of Dawn O- District 14 DCM

Blessed

Greetings District 14!

Dawn O. here with District News for February 2024

Our District 14 trusted servants for 2024 are: Brad A. (Miracle Group) - Alternate DCM, Scott C. (Young at Heart) - Secretary, and Lisa F. (Third Tradition) - Treasurer. Together we serve along with your GSR's and our eight wonderful service committees to carry the message to the still suffering Alcoholic. We look forward to a productive year in service to you and to AA. Please feel free to contact any of us with your questions and ideas for service.

**Unity:** I was in a discussion about AA organization when a friend of mine asked, "how can you be a member of an organization you know absolutely nothing about?" This made me wonder how many members in our district know little of AA service structure and responsibility. There is so much more to A.A. than just attending meetings. As Tradition One states, "Our Common Welfare should come first, personal recovery depends on A.A. **unity**." The pathway to **unity** can be found in your **home group**. If you don't have a home group, find a meeting where you literally feel "at home" and join the group. Then participate in that group's activities including the business meetings (Don't roll your eyes 😊). Participation in a home group was the first step in expanding my A.A. program. It is the gateway to a better understanding and practice of the principles of our 12 Traditions. You may hold a service position or come and support those members who do. You can find more information on groups in the pamphlet *The A.A. Group...where it all begins*, which is available at the District 14 Intergroup Office, at some meetings, or free download at [https://www.aa.org/sites/default/files/literature/assets/p-16\\_theaagroup.pdf](https://www.aa.org/sites/default/files/literature/assets/p-16_theaagroup.pdf) Another source of information is the Grapevine publication *The Home Group: Heartbeat of AA* which features stories from past Grapevines about the importance and joys of belonging to an AA group. Available at Intergroup or at <https://www.aagrapevine.org/store/home-group-heartbeat-aa>

**Speaking of home groups**, it is time again for our groups to participate in the **Pre-Conference Input to the Delegate** process. This is how you get to inform the group conscience of the General Service Conference (GSC) in New York. Your General Service Representative (GSR) will receive information on the agenda items assigned to your group. You will be given the opportunity to provide feedback to your GSR on those items and your voice will be carried to the Area 1 Assembly through your GSR & DCM. Our Area 1 Delegate (Tomy G.) will then use your feedback on these important issues to help guide his votes at the General Service Conference.

Remember the GSC was created by Bill W. as a means for AA members to "assume direct responsibility for the guardianship of A.A. tradition and the directions of our principal service affairs."<sup>1</sup> In A.A. it is the groups who have the ultimate authority and responsibility for world services.<sup>2</sup> In a sense the GSC is the ultimate group conscience. There will be Workshops and more information on this process made available to you as soon as it is available to us.

**Plain Language Big Book.** One recent agenda item for the GSC concerned the Plain Language Big Book. This topic has spawned much debate within A.A. An excellent information session on this topic will be presented by our Southeast Regional Delegates on February 25, 2024, from 2:00-4:00 PM EST (1:00-3:00 PM CST) Zoom ID: 867 2200 6265, PW: 924686. Special Guest: The Chair of the TABB (Tools for Accessing the Big Book) Subcommittee.

The next Area 1 Literature workshop will be "Why have a Literature Committee?" presented by Patty H. on Tuesday, February 27, 2024, at 7:00 pm. **NEW Zoom ID: 872 1136 8681 PW:1935.**

Yours in love and service,
